

ELMO AND ABBY'S WORD ADVENTURE

Use the pictures to help you read the story!

The  sun was shining on Sesame Street.  Elmo,  Abby, and  Buzz Word decided to explore outside to find new words to add to their  word book, where they collect the new words they learn.

At the park, they saw a  tree.  Abby pointed to a green  frog on a green  leaf. She said the  frog looked smooth and slimy. Buzz Word  said that the way something feels is called its texture.  Abby noticed how the  frog's green color makes it hard to see on the  leaf. Buzz Word  explained that's called camouflage. It's a good way for the  frog to hide!

Then  Elmo pointed to a  birdhouse in the  tree.  Buzz Word said the front of the  birdhouse was a  pentagon, meaning a shape that has five sides and five angles. They added texture, camouflage, and pentagon to their  word book.

 Abby and  Elmo were amazed at all the words they had collected.

One word led them to another! Now it's your turn to go on a great word adventure!
