

# COMING TOGETHER

## What I Want for the World

Even little kids can do big things to help make the world better. Abby wants the world to be clean and safe for all living things, so she is going to recycle paper so there will be more trees.

Think of your own ideas, and have a grown-up write them down! Then draw a flower growing from each seed.

I WANT:

---

I AM GOING TO:

---

I WANT:

---

I AM GOING TO:
