Sign Me Up

Ask some friends to sign their names on this page.

Wherever I go, whatever I do, it’s all an adventure, with friends old and new.
We’re Different and We’re the Same

• Write your name in one circle and a friend’s name in the other.
• Draw or write things that you like and are good at in your circle.
• Draw or write things your friend likes and is good at in his or her circle.
• Draw or write things that you are both good at and that you both like in the part that overlaps. This part shows how you are the same.
Think about how you love your family. In each heart, make a drawing or write a few words to express how much you care for them. What are some things you love about your family? What do you do together that makes you feel happy inside? Cut out the hearts and place them inside your family members’ pockets to surprise them with a pocket full of hearts.
A Pocket Full of Hearts

Think about how you love your family. In each heart, make a drawing or write a few words to express how much you care for them. What are some things you love about your family? What do you do together that makes you feel happy inside? Cut out the hearts and place them inside your family members’ pockets to surprise them with a pocket full of hearts.
Thankful Hearts

Together with your child, write on the hearts and decorate them.

**On the hearts, write:**
* things you are thankful for
* things you love about each other

Try This!

**Pocketful of Hearts** Cut out more hearts from a separate sheet of paper, and then do the same thing you did above. Keep them in your pockets to remind you throughout the day…wherever you are!
Elmo’s Rainbow Hug Card

Here’s a big, warm, colorful hug from Elmo! Hugs always make Elmo feel better, and thinking about rainbows makes him feel happy. Think about what makes you feel safe and happy. Color in the card and fold the page along the dotted lines. Then, help Elmo share rainbow hugs with your family, friends, and helpers. Don’t forget to give a big hug to yourself, too!
