

# Creature Camouflage

Draw an animal or insect and something it would blend into in nature.  
What color animals can hide in the grass or on a leaf?

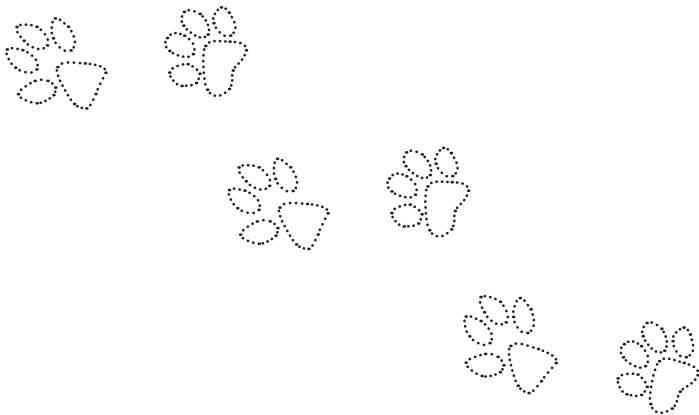

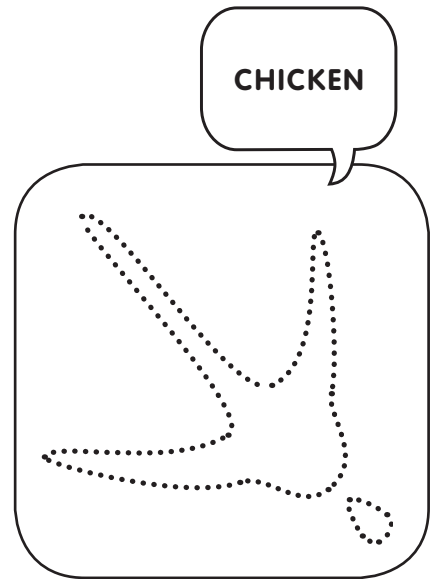

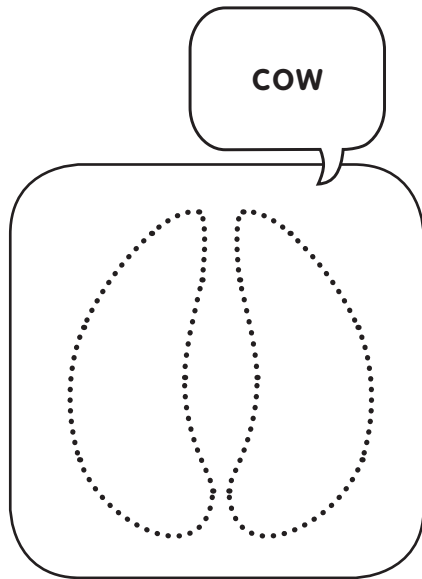

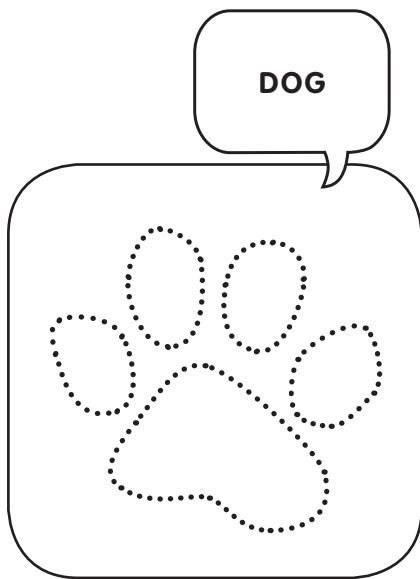

---

# Animal Tracks

Trace the animal tracks below.  
Pretend to be a dog, cow, or chicken.

---

**Tracks** can be marks left by an animal's feet, or even its tail, on the ground in the snow, mud, or sand.

# Garden Senses

Visit a local garden or park to inspect the plants and flowers in your neighborhood.  
Draw what you hear, smell, feel, and taste.

---

HEAR

SMELL

FEEL

TASTE

A **garden** is a place where flowers, fruits, and vegetables grow.
