

# Family Together Time

What do you like to do as a family? Do you sing and dance, tell stories, go for walks, or play a favorite game? Draw a picture of your family spending time together.

---

The \_\_\_\_\_ Family likes to \_\_\_\_\_ together!

---

# Family Newsflash

Pretend you're a reporter and gather news about your family's day. Ask everyone in the family to remember something interesting they did or saw, and have them write it down or draw a picture of it (you can continue on the back of this page). At mealtime, talk about the news you've gathered!

**Who?**

**What did you do today?**

# From My Heart to Yours

Family members help each other in many ways each day. Let's celebrate them! Maybe dad or mom helped you get dressed, your sister shared her favorite toy, or your brother read you a book. Decorate and cut out a thank you heart to share with a family member who helped you today. A grown-up can write down your words.
