Environment: Taking Care of Our Earth

Little Neighbors take care of the world around them. Color in all the ways you are kind to nature.

- Recycle paper.
- Recycle cans.
- Recycle bottles.
- Throw away trash.
- Visit a farmer’s market.
- Learn about animal habitats.
- Turn off lights when leaving a room.
- Color on both sides of the paper.
- Plant seeds.
- Recycle paper.
- Recycle cans.

TEAMwork

A winning team works together. Big or small, your family is a team that stays strong when you cheer one another on! Try this family chant. Fill in your last name, and say the T.E.A.M together.

T: Talk togetherness!
E: Encourage one another!
A: Appreciate one another!
M: Motivate one another!

No matter the weather, we stick together!

We are the ____________________ Family, and we are a T.E.A.M!
