Practicing Persistence

Taking a break helped Grover feel better. Now he can try again, look for the final piece, and finish the puzzle!

I see you are feeling frustrated. Let's take a break together. Then, when you're ready we can try again to finish the puzzle.

I need to pause and take a slow, deep breath.

How about we take a nice, big stretch?

Taking a break helped Grover feel better. Now he can try again, look for the final piece, and finish the puzzle!
