

# WASH UP!

## Raya's Handwashing Secret

**Helping families stay healthy,  
connected, and full of curiosity**

**Sesame Workshop** is the nonprofit organization that produces the television show Sesame Street. Through television and other types of media, the organization has a presence in over 150 countries around the world. Sesame Workshop's mission is to help children grow smarter, stronger, and kinder. The organization develops multimedia educational content to support children's development and learning in fun and creative ways. Sesame Workshop's international programs are created according to the diverse needs, experiences, and cultures of children within a given country.

**SC Johnson** is a family company dedicated to innovative, high-quality products, excellence in the workplace and a long-term commitment to the environment and the communities in which it operates. Based in the USA, the company is one of the world's leading manufacturers of household and professional cleaning products and products for home storage, air care, pest control and shoe care. The 135-year-old company sells products in virtually every country around the world. [www.scjohnson.com](http://www.scjohnson.com)

Raya and Elmo are having a good day!

Raya is about to tell Elmo her secret on how to keep germs away, in a fun way!

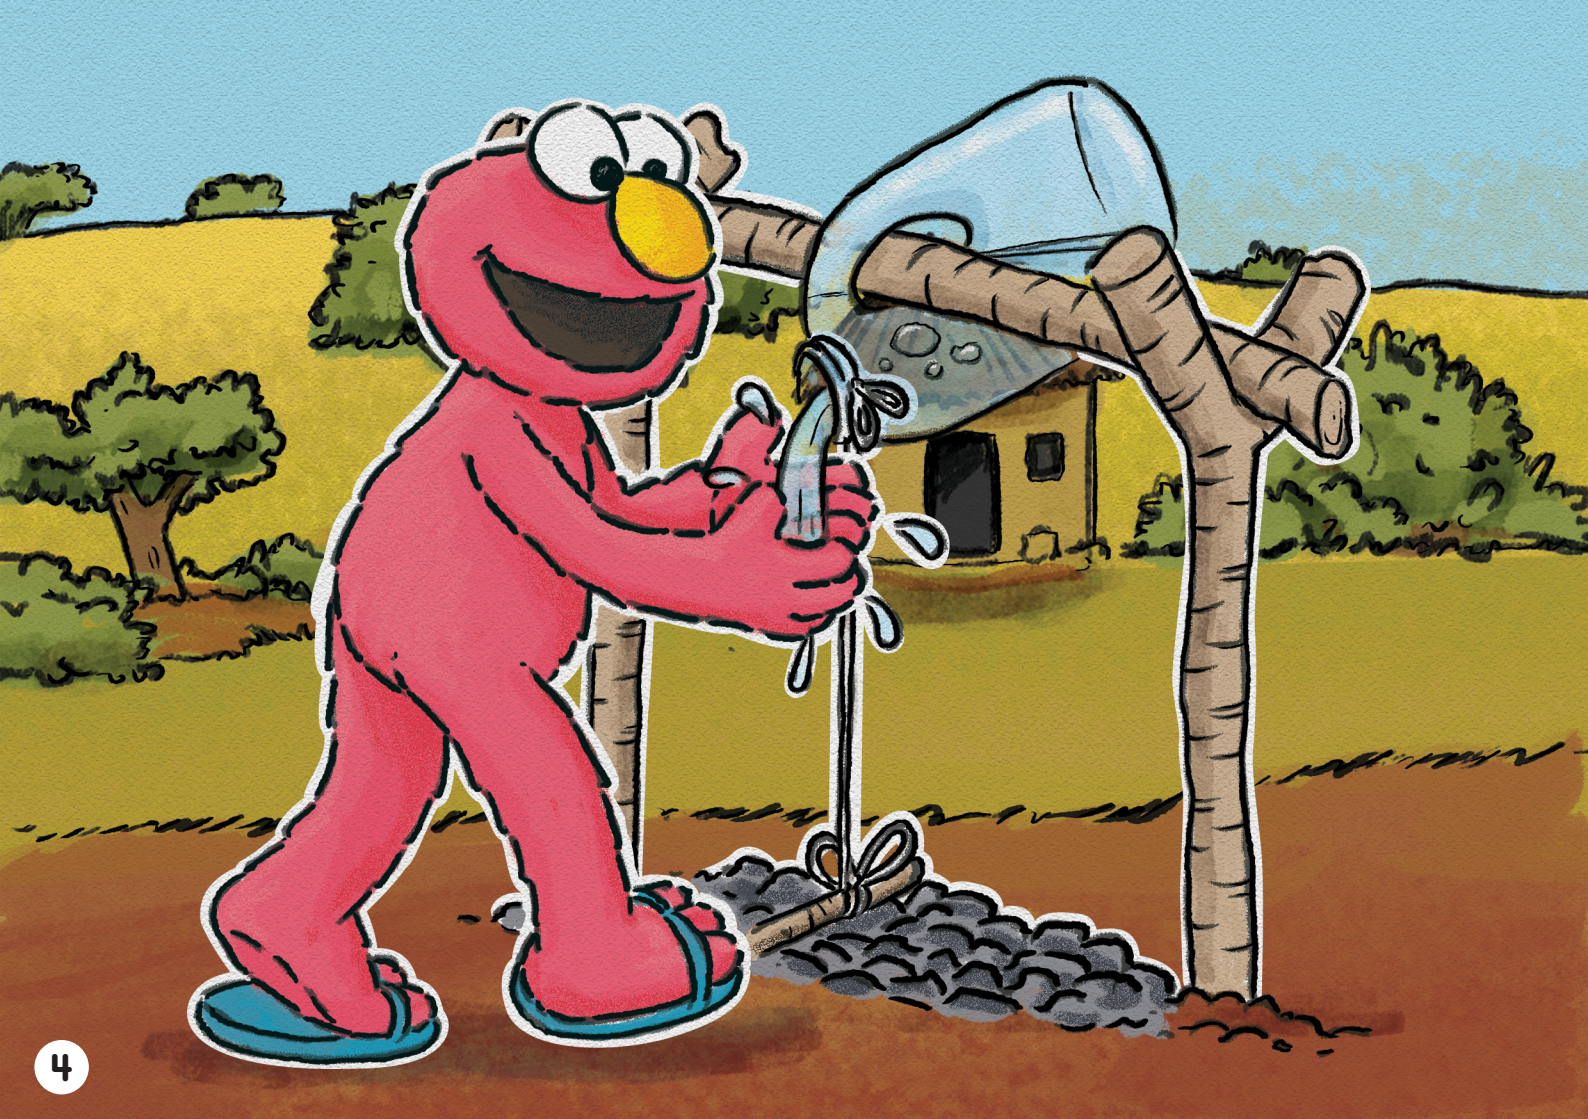

Do you want to join them?

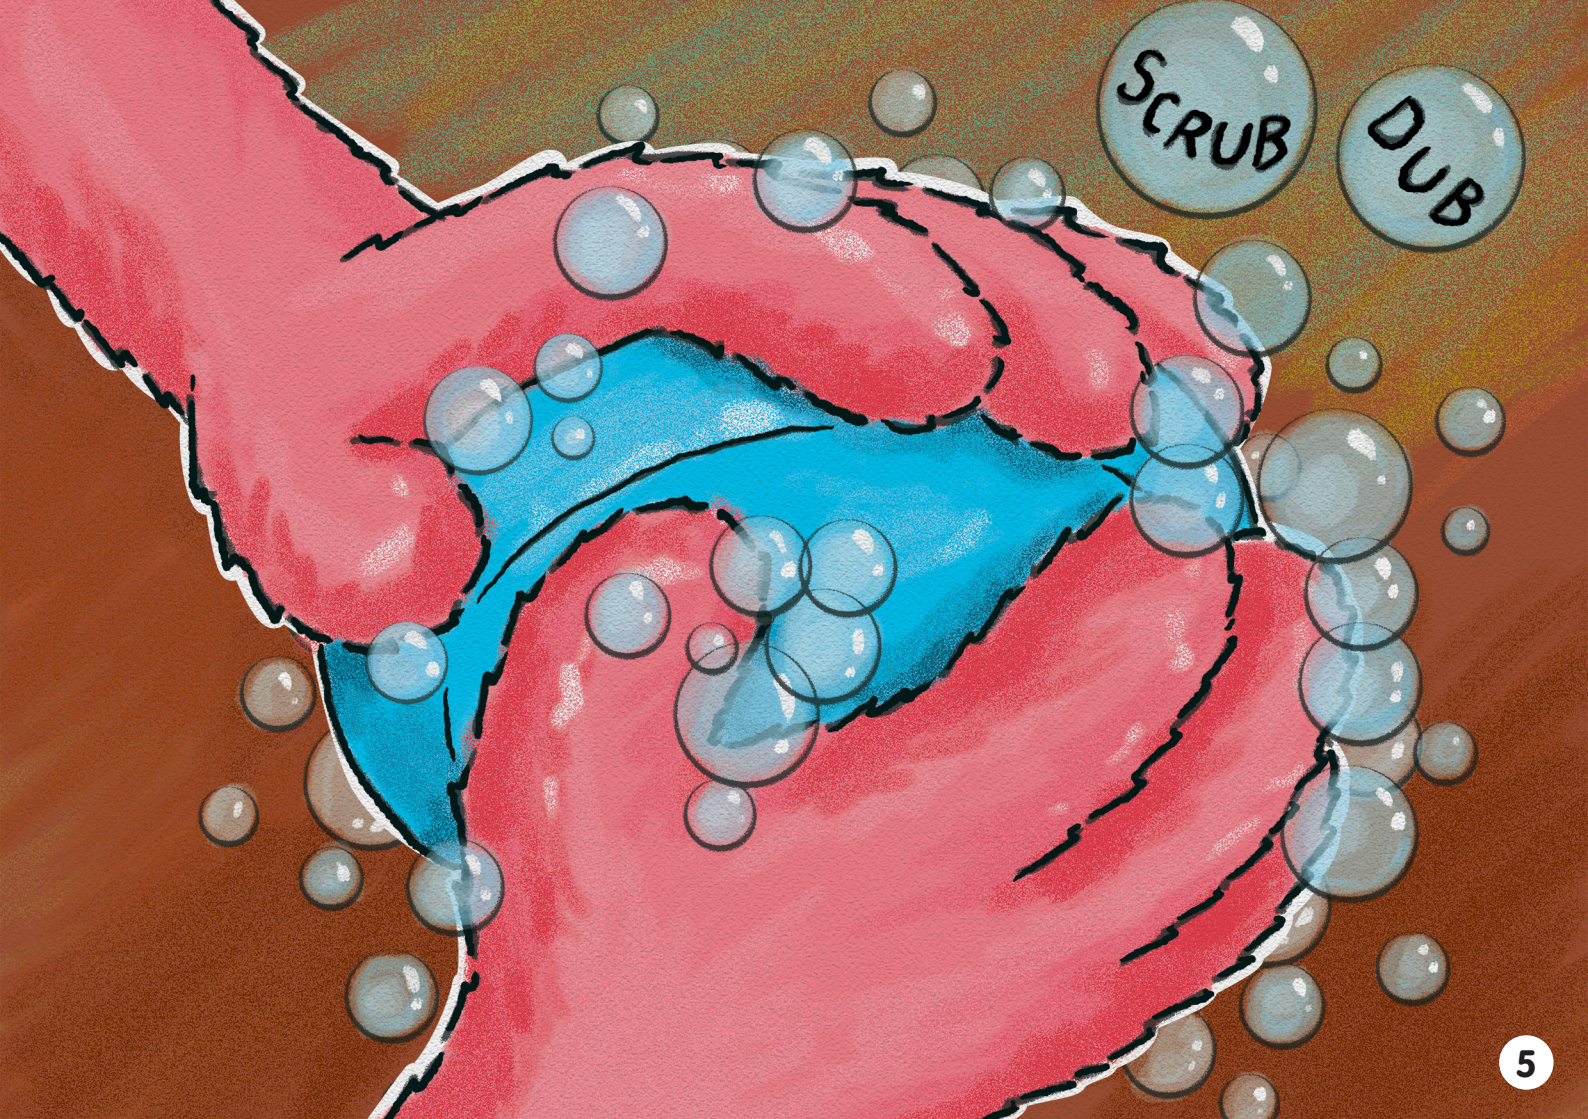

Follow along with the pictures and make up the story as you go!
